## A visit to Owatonna is not complete without a visit to Costas!

Opened in this building, Costas Candies & Restaurant has been in continuous operation since 1919. Originally opened as George's Candy Kitchen, a restaurant was added in the 1920s. Costas Boosalis purchased the business from his uncle in the 1960s and then changed the name to Costas Coffee Shop in 1971, when he expanded the restaurant. In the mid-1980s, as business continued to grow, and the candy making expanded, the name changed one last time to Costas Candies and Restaurant. In 2009, the Schultz family took over the operations of Costas Candies and Restaurant and it continues to be a locally owned and operated family business.
